

RUMORS

Music/Text by: Mckinley Black

I heard you been readin' up
on how to feel good when you're down
been facing demons and they been teasin' you
the whole year round

and i heard you been thinkin' bout
throwin' it all away
about givin' up, I tell you what
that ain't gonna happen
if I got anything to say about it

don't let go
don't think you're alone

'cause I know its hard to hold on when you're weak
but I can help you pull some of the weight
or maybe we'll just silently pray
maybe then something will change
maybe then you're OK

it's so hard to fight
come in my arms
I'm holdin' on tight
I won't let you go
I won't let you go
so let it all out

let it all out...

Now I heard you been pickin' up pieces
to a puzzle that fell apart
you had it all together and from what I gather
you don't where to start

and I heard in your sadness
that you're pushin' love away
you think no one cares about you
simply not true
and that won't be a reason
if I got anything to say about

don't let go
don't think you're alone

'cause I know its hard to hold on when you're weak
but I can help you pull some of the weight
or maybe we'll just silently pray
maybe then something will change
maybe then
maybe then
maybe then you're OK....
